North Smithfield Little League (NSLL) strives to be an environment of welcoming and kindness where kids of all ages can come together in order to play some good old fashioned baseball and softball.

NSLL has many divisions which each are fantastic ways for children to learn to enjoy the sport. NSLL also provides much educational value, as children are able to learn how to work as a team.

NSLL makes sure their first priority is that the players have fun on the field! NSLL promotes values of teamwork, sportsmanship, and tolerance of others.

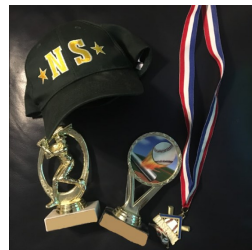

No matter who you are or where you come from, North Smithfield Little League is excited for you to join!

What can I do to supporting North Smithfield Little League?

There are a number of ways to help support the NSLL. The easiest way is to buy a sign, which will be hung on Pacheco Park, or you could even sponsor a team!

Sponsoring a team means that your business will be put onto your team's jersey, and the team will be recognized by the name of your business! Or, if you would like, you could even buy one of each! You don't even have to own a business-if you want to buy a team or a sign, you can do anything you want (As long as its cleared by our board)!
